Participation in Programme of International Student Assessment

* 159. SHRI RAHUL BAJAJ:
SHRI RAJKUMAR DHOOT:

Will the THE MINISTER OF HUMAN RESOURCE DEVELOPMENT be pleased to state the reasons for not participating in OECD's Programme of International Student Assessment (PISA) for assessment of science education quality, while 67 countries including developing countries, do so?

THE MINISTER OF HUMAN RESOURCE DEVELOPMENT (SHRI ARJUN SINGH): Programme for International Student Assessment (PISA) is an internationally standardized assessment for 15 year old students in schools and is meant for member countries of OECD along with certain partner countries. The government of India conducts its own pupil learning achievement surveys under Sarva Shiksha Abhiyan (SSA) through National Council of Educational Research and Training (NCERT) aimed to track changes in learning achievement levels of students and to give a national picture of the status of students learning levels. NCERT conducted such sample surveys for Class V in 2002-03, for Class III and Class VII/VIII in 2003-04 and for Class-V in 20-06-07. The NCERT surveys cover a representatives sample of students across districts.
